

## DISCLOSURES

### Feature: Monthly Statement

#### Products: Basic Checking

If you chose to receive a monthly statement via postal mail, a statement fee of \$1.50 will be assessed each month. You can turn off paper statements by logging in to Online or Mobile Banking, selecting "online only", and accepting the Online Statements Terms and Conditions. Opting out of paper statements will terminate the mailing of your monthly statement.

### Feature: Premier Money Market Relationship Rate Pricing

#### Products: Select Checking

Bonus interest rate is not automatically applied and must be requested. If the Select Checking Account is terminated, the bonus interest rate on all eligible savings accounts, and discounts or fee waivers on other products and services will discontinue and revert to the Bank's then current applicable rate or fee.

### Feature: Preferred Loan Rates

#### Products: All Personal Checking

Loan discounts do not apply to all loan products and are applicable for new loans only. Discount applies to the Interest Rate at the time of application. Payment must be automatically debited from a Bank of Oklahoma checking account. Some restrictions apply. All offers subject to credit approval.

### Feature: Interest-Bearing Accounts

#### Products: Select Checking

Interest begins to accrue no later than the business day that the Bank receives credit for the deposit of noncash items, such as checks. Unless stated otherwise, we use the daily balance method to calculate interest on your account. The interest rate and Annual Percentage Yield (APY) are administered by the Bank and may change daily at the discretion of the Bank, unless stated otherwise. Account fees may reduce earnings. Please ask for a current rate sheet for interest rate information. For additional information, read the Summary of Fees and Definitions and the Agreements and Disclosures.

### Feature: Overdraft Fee Refund

#### Products: All Personal Checking

One per calendar year, at client's request.

### Feature: Overdraft Protection

#### Products: All Personal Checking

If enrolled, we will automatically transfer funds, to the extent they are available, from your linked Bank of Oklahoma savings, money market account or personal line of credit into your checking account at the end of any business day on which your Available Balance is less than zero. Limited to one linked savings or money market account, or a personal line of credit as a source of funding. With each transfer, you will be assessed the Overdraft Protection Transfer Fee and the amount of the transfer will be sufficient to cover the amount of your negative balance, plus the amount of the transfer fee. To the extent the funds in your designated funding account are insufficient to cover all overdrafts in your Checking Account, an Overdraft Fee or Returned Item Fee may be charged for each overdraft not covered by the transfer, under the terms of the Depository Agreement for Transaction Accounts. If the transfer is not sufficient to cover at least one overdraft item, you will not be charged an Overdraft Protection Transfer Fee. Transfers from your savings or money market may be subject to an excessive withdrawal fee. See Summary of Fees and Definitions for pricing.

### Feature: Requirements to Waive Monthly Service Fee

#### Products: Varies, see detail below.

May be combined balance in any combination of the following personal accounts: checking, money markets, savings, CDs, IRAs, installment loans and lines of credit. Bank of Oklahoma mortgage balances are excluded from the combined balance calculation. Accounts are not automatically linked. Please notify your banker which accounts should be linked. Personal accounts linked to your account to qualify as combined balances may only be used once. For example, your CD can only be linked to one account to offset the monthly service fee.

Qualifying direct deposits are deposits of regular monthly income of at least \$300 per statement cycle which are deposited electronically to your account through the automated clearing house (ACH). Examples would be your salary, pension, government benefit payment, such as Social Security, or regular monthly income from an employer or third party.
  4. Other types of transfers and deposits do not qualify. Examples of non-qualifying transfers and deposits include: deposits made at a banking location or ATM, wire transfers, Online Banking transfers, non-periodic direct deposits (such as tax refunds or payments) or transfers from one account to another.
